Bardez, GOA. INDIA. 403 507  
[careers@vishwamukta.com](mailto:careers@vishwamukta.com)

## Software Engineer

We are looking for a **Software Engineer** with strong design/development skills and great attention to detail. The work covers many areas of development from researching, designing and implementing .Net based applications and components (with a large focus on web based applications). The work will also include creating samples and test cases. You should be willing to work as an individual as well as a team. You will work with other software engineers and assist your technical/project lead. You must have 1+ years of IT experience. This is a full-time position. Work would be done at our head office (Mapusa, Goa, India). If you are interested in becoming a part of a highly professional team, please send your resume with a cover letter to: [careers@vishwamukta.com](mailto:careers@vishwamukta.com)

### Experience

- Must have a degree/diploma with a major in Computer Science or Information Technology
- Must have 1+ years practical experience in IT
- Must have experience with Data Structures, Algorithms, and Object Oriented Programming
- Should have experience working with web-based systems

### Required Skills

- Hands-on experience working with Microsoft .NET related technologies
- Good knowledge of .NET including ASP.NET/ASP.NET MVC
- Good knowledge of C# or VB.NET. Preferably C#
- Good knowledge of PHP, MySQL and SQL Server
- Sufficient knowledge of Web Services
- Sufficient knowledge of JavaScript, HTML, and CSS
- Good communication skills to clearly convey ideas both spoken and in writing
- Nice-to-have: AJAX, ADO.NET, jQuery, HTML5, CSS3, and Entity Framework

### Other

- Must be willing to learn new skills on a regular basis, both on and off the job
- Must be able to work well within a team, yet be able to work autonomously
- Must be able to work with team members of all skill levels, and must be able to listen to constructive criticism
- Must be able to work in a company with an open and casual work environment (self-management skills)
- Must have good attention to detail

### Compensation

- We offer competitive salary and benefits
- Compensation/Salary will be based on experience, skill sets, and goals
